

2019 HASC ANNUAL MEETING • MAY 1-3 • LA QUINTA RESORT • PALM SPRINGS

Overview

What is your hospital doing to innovate and adapt to the new environment? Have you turned a disruptor into a winning formula? Are you willing to showcase your leading-edge work? We invite you to present your hospital's improvement project at the 2019 HASC Annual Meeting. Your creative solutions are important to all members.

Presentation Topics

We're looking for leading-edge ideas that inspire discussions, encourage engagement and promote learning. Specifically, we'd like to showcase replicable models in areas of interest to CEOs, executive teams, physician leaders and trustees.

Telling your story through the voice of the hospital executive is preferred. **Suggested topics include but are not limited to:**

- Value-based patient care model
- Patient care delivery; consumer involvement
- Improving behavioral health in the ED
- Throughput, efficiency
- Finance and operations
- Health disparities
- Emergency medicine
- Improving collaboration; community projects
- Effective use of technology; telemedicine; Artificial Intelligence (AI)
- Workforce and culture
- Sustaining change

Presenter Responsibilities

- Provide a high quality, 50-minute educational presentation
- Engage attendees through audience participation and discussion
- Ensure that the session is not perceived as an infomercial or sales presentation
- Discuss the successes and challenges presented by your project.

HASC Responsibilities

- Provide a showcase for the innovative work you are doing and promote your presentation to annual meeting attendees
- Assist presenters as needed
- Coordinate with presenters on audio-visual equipment and set-up needs
- Provide complimentary registration to the annual meeting for one presenter

How To Submit

Your input is valued and will be carefully reviewed by the Annual Meeting team. We will respond to your proposal by the end of December. We appreciate all submissions. Our preferred selections will be presentations intended for the C-Suite, physician leadership and trustee audience.

Please submit a Word document by **Friday, Sept. 14, 2018** to pwall@hasc.org including the following information:

- Your name, title, email and phone
- Organization name, address, phone
- Presentation title
- Speakers and short bios for this session
- Describe your presentation. Bullet points are fine.
- What problems were you addressing?
- What challenges did you encounter along the way?
- How did you manage adoption and sustainability?
- What were the outcomes of your innovative project?
- Top three take-aways from this project?
- Any additional information
