

Active Shooter Resources Available

Since the mass shooting in Colorado last week, the EMR-ISAC has received multiple emails from a variety of sources featuring free online resources available to emergency responders, businesses, and citizens. A summary:

- [Active Shooter: What You Can Do](#) – 45-minute online training provides guidance on how to prevent and prepare for an active shooter incident.
- [Active Shooter: How To Respond](#) – booklet and poster available for facilities owners and operators to prepare and respond to incidents.
- [Active Shooter Awareness Virtual Roundtable](#) – this archived September 2011 webinar discusses response plans and employee training.
- [Performance Venues – Indicators of Violence & Protective Measures](#) (PDF, 131.5 Kb) – discusses suspicious activity reporting and protective measures.
- [Bomb Prevention Training](#) – open to State, local, and private sector entities.
- [Bomb Making Materials Awareness Program](#) – helping to foster information sharing between businesses and law enforcement.
