

340B Compliance Simplified

SUNRx manages 340B programs that expand access to affordable medications, provide financial benefits to the hospital and its uninsured, and meet the highest levels of regulatory compliance.

The SUNRx team has been managing 340B programs since 2006, and has extensive pharmacy benefit management and payer experience. SUNRx offers split billing, invoice analysis and other services to manage pharmacy programs.

SUNRx is a corporate partner with Safety Net Hospitals for Pharmaceutical Access (SNHPA) and the exclusive 340B partner with 27 state hospital associations in 25 states.

Benefits for You

- Helps entities keep abreast of regulatory changes and to prepare for regulatory audits and inspections.
- Ensures the highest level of 340B regulatory compliance by providing flexible and fully-configurable Virtual Inventory Technology.
